

**St Mellion Parish Council
Publication Scheme
Approved 16th May 2017**

1. This publication scheme commits the Parish Council to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the Parish Council.

2. The scheme commits the Parish Council to observe the following.

2.1 Proactively publish, or otherwise make available as a matter of routine, information, including environmental information, which is held by the Parish Council and falls within the classifications below.

2.2 Specify the information which is held by the Parish Council and falls within the classifications below.

2.3 Proactively publish, or otherwise make available as a matter of routine, information in line with the statements contained within this scheme.

2.4 Produce and publish the methods by which the specific information is made routinely available so that it can be identified easily and accessed by members of the public.

2.5 Review and update on a regular basis (not less than annually) the information the Parish Council makes available under this scheme.

2.6 Produce a schedule of any fees charged for access to information which is made proactively available (as detailed in point 5.).

2.7 Make this publication scheme available to the public.
